Text:
Praise the Lord of love,
Praise God, sun and moon,
Praise God, all you small creatures,
You mountains and all hills,
You flying birds,
You snow and clouds.
Alleluia! Praise the Lord from the heavens,
Let all things praise the Lord.
Sing and dance the day long,
Sing and play music to the glory of God.
Praise God from the earth,
Praise God all you sea creatures, you oceans,
You nations, you young and old,
You rulers on the earth.
Sing and dance, praise the God of love,
Praise the Lord from the heavens,
Sing and dance, praise God,
Sing and give glory to God!
